Unloading/Loading: Hall traders will be available to access the hall by driving the high side of the oval to the four double glass doors (weather permitting) and are to unload at the designated area in front of the undercover area and club members may be available to assist traders where required. Setup times will be available between 2:00 pm – 5:30 pm on Friday 1st July. Security: All Traders are reminded that they are solely responsible for the safe keeping of their belongings, moneys and valuables on site, the club holds no liability for any losses, damages or stolen property of any kind. Once the hall is locked down and alarmed, no person will be permitted to enter until opening hours of the next morning (6.30 – 7.00 am). Furthermore, the school will be providing security from a local security firm and the club will provide extra security during the night with members staying on grounds. Features/Events: • Auction – To be held on Saturday. Donations/gifts may be made for the auction, if you wish to make a donation, kindly make the item/s available for collection on Friday afternoon. • Parking – Day parking for traders will be available at the car park beside the daycare centre on Washington drive (parking attendance will be on site). Please be advised that the front of the hall is to be kept clear at all times as it is a drop off point for morning traders and a passage for the public. • Onsite Camping – The grass area in front of the day car park has been designated for your convenience as a camping area for the traders that wish to stay on site, though be advised that available space is limited and numbers must be noted on the given form. We also ask that you be considerate due to space limitations. For further information or general inquiries, please contact us using the below details • Hervey Bay Gem & Mineral Club Inc.
